

INJURED WORKER HANDOUTS

As soon as you know one of your employees may have been injured at work, please provide the following documents to the injured worker.

 **ICA 0407 - Workers' Report of Injury:**

Injured workers may use this to report a work injury or illness.

 **ICA 0124 - Report of Exposure to Bodily Fluids or Other Material:**

Give this form to an employee when you learn of any significant work exposure to blood, bodily fluids, or other potentially infectious materials.

 **Consent and Authorization for Release of Information and Request for Medical History Forms:**

These forms help us to obtain the information and records needed to handle a claim and to make sure that the injured worker receives the best possible medical care. Have the injured worker sign the forms and send them to Omaha National.
