

INJURY REPORT FORMS

These are documents to be completed after a workplace injury. Contact Omaha National at 844-761-8400 to report the claim.

NWCC Form 1 – First Report of Occupational Injury or Illness:

Send the completed Form 1 to Omaha National at the same time you report the claim to us. Once the claim is reported, we will submit an electronic report to the Court on your behalf. Nebraska law requires all reportable injuries to be filed with the Nebraska Workers' Compensation Court within 10 days after knowledge of injury. Please note, you should promptly report **all injuries** to Omaha National, even those that only require first aid; sometimes an injury that seems minor at first can worsen and knowing about these injuries allows us to manage them effectively.

Incident, Supervisor, and Witness Reports:

When a workplace injury occurs, these forms may be used to gather information about an incident or injury. Copies should be sent to Omaha National at the same time you report the injury to us.
