

INJURED WORKER HANDOUTS

As soon as you know one of your employees may have been injured at work, please provide the following documents to the injured worker.

Injured Worker's First Fill Prescription Form:

This document contains a first fill card that an injured worker can use for a one-time fill of prescription medicines for their work injury. **It is important that you give the worker this card right away when they report an injury.** The temporary card is only valid if used within 5 days of the reported date of injury. Once the injury is reported to us, our claims staff will provide further instructions to the worker on how to get subsequent prescription fills and refills.

Authorization for the Release of Medical Records by Provider for Administering a CT WC Claim for Benefits:

The Connecticut Workers' Compensation Commission designed this release form to be used to obtain the documents and records needed to process a claim. An injured worker uses this form to provide consent for the release of their medical information. Please have the injured worker sign this document and send a copy of the signed form to Omaha National when the injury is reported.

Form 1A – Filing Status and Exemption:

This form is used to obtain an injured worker's federal tax filing status and number of exemptions so that their weekly benefit rate can be determined. It also includes an area to provide information regarding any concurrent employment. Have the injured worker complete and sign this form. Then, send a copy to Omaha National when the injury is reported.

Consent and Authorization for Release of Information and Request for Medical History Forms:

These forms help us to obtain the information and records needed to handle a claim and to make sure that the injured worker receives the best possible medical care. Have the injured worker sign the forms and send them to Omaha National.
