

INJURED WORKER HANDOUTS

As soon as you know one of your employees may have been injured at work, please provide the following documents to the injured worker.

Injured Worker's First Fill Prescription Form:

This document contains a first fill card that an injured worker can use for a one-time fill of prescription medicines for their work injury. **It is important that you give the worker this card right away when they report an injury.** The temporary card is only valid if used within 5 days of the reported date of injury. Once the injury is reported to us, our claims staff will provide further instructions to the worker on how to get subsequent prescription fills and refills.

DWD-DWC Form WKC-9488-E – Voluntary and Informed Consent for Disclosure of Health Care Information:

The Workers' Compensation Division of the Wisconsin Department of Workforce Development designed this release form to be used to obtain the documents and records needed to process a claim. An injured worker uses this form to provide consent for the release of their medical information. Please have the injured worker sign this document and send a copy of the signed form to Omaha National when the injury is reported.

DWD-DWC Form WKC-12698-E – Statement of Self-Restriction to Part-Time Work:

This form is used to affirm the injured worker's part-time employment status. Have any part-time employees that are injured at work complete and sign this form. Then, send a copy to Omaha National when the injury is reported.

Consent and Authorization for Release of Information and Request for Medical History Forms:

These forms help us to obtain the information and records needed to handle a claim and to make sure that the injured worker receives the best possible medical care. Have the injured worker sign the forms and send them to Omaha National.
